Commitment to Diversity and Accommodations

The Counseling Program at ULM is committed to advancing diversity, equity, and inclusion throughout the curriculum and clinical experience. We invite diversity and foster a culture of inclusion that supports multiple dimensions of culture that includes race, ethnicity, gender identity, sexual orientation, religious affiliation, spirituality, nationality, regionality, disability, and beyond.

Within the Counseling Program, we attempt to foster and maintain a safe environment of respect and inclusion for faculty, staff, students, and members of the communities we serve. We educate our faculty and students to be social justice advocates for marginalized populations and direct our curriculum to reflect the diversity of our communities and elevate awareness.

The Counseling Program is committed to building and retaining a faculty, staff, and student body that reflects these cultural values and respects the dignity of all persons.

The Counseling Program is committed to making reasonable efforts to assist individuals with disabilities in their efforts to avail themselves of services and programs offered by ULM. To this end, ULM will provide reasonable accommodations for persons with documented qualifying disabilities. Students who have a disability and feel they need accommodations in the course must present a letter to the instructor from the Self-Development, Counseling, and Special Accommodations Center at ULM indicating the existence of a disability and the suggested accommodations. Students who need accommodations because of a known or suspected disability should contact the Director for Disabled Student Services at 318-342-5220 or [click here](#) for the Self-Development, Counseling, and Special Accommodations Center website. [here](#).

Special circumstances. Students who encounter any unforeseen circumstances during the semester that may affect their performance (e.g., physical, or mental illness, family emergency) must let their instructor know within seven (7) days sETSSSSSSSSSSSSSSSS-20(i)7(ns)-6(t)7(ruc)6(t)7(or know

Technology for the Class

All courses in the Counseling Program are 100% online. Students will need a computer, internet access, and access to their myULM account that will give them access to Banner, Canvas, the bookstore, and Degree Works. Students should also have access to a Zoom account for synchronous meetings and to complete any class projects that are recorded.

View Canvas regularly for supplemental materials, additional handouts, required readings, and all class lessons. Students bare responsible for checking the site each week, for printing any materials necessary for class preparation, and for all content on this website.

Late Policy: Papers may be accepted at the discretion of the professor with a penalty of 10% decrease in grade per day. Assignments will not be accepted after one week after the due date. No assignments will be accepted after the last day of class.

Student Services : The University of Louisiana at Monroe strives to serve students with special needs through compliance with Sections 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. These laws mandate that postsecondary institutions provide equal access to programs and services for students with disabilities without creating changes to the essential elements of the curriculum. While students with special needs are expected to meet our institution's academic standards, they are given the opportunity to fulfill learner outcomes in alternative ways. Examples of accommodations may include, but are not limited to, testing accommodations (oral testing, extended time for exams), interpreters, relocation of inaccessible classrooms, permission to audiotape lectures, note-taking assistance, and course substitutions.

Covid Policies: Due to present circumstances, ULM students, employees, and guests should continue to follow current CDC guidelines by requiring masking and social distancing in all classrooms and buildings throughout campus. Everyone is encouraged to use the substitutions.

If you have special needs that I need to be made aware of, you should contact me within the first two days of class.
