## Dr. Je rey Anderson, Faculty Senate President

- A lot of the work that the Faculty senate has been working on is their handbook. They are about to begin reviewing their Cons tu on and By-Laws.
- There has been talks of the crea on of a University Senate that includes sta and faculty to create a way to connect faculty and sta.
- The Faculty Senate created a webform for faculty to submit any concerns that they may have and to track what implementa ons have worked well.
  - Sta Senate will look into similar webforms for its const uents.
- Senator Welch asked about the Handbook Commi ees of both Senates to meet and see if there are
  any connec ons that need to be made between sta and faculty in both. Some sta are also adjunct
  faculty. They are open to this especially since some procedures of the sta handbook also apply to
  faculty.
- President Mejia discussed a li le more on the University Senate to give sta more of a voice.
- Dr. Anderson would like for a represental ve to be present at Faculty Senate meelings to make sure that any possible connections to stall can be addressed.

- There being no other business, a mo on to adjourn was made by Senator Huey and seconded by Senator Eppine e. Mee ng adjourned by President Mejia at 10:43 am.
- The next Sta Senate mee ng will be on December 18th at 10:00 am in the Library Conference Room 622.
